RE: Request for contact information

Dear Dr. Nikolai Tsankov:

The World Congress of Dermatology (WCD) has over 120 years of history and is one of the main functions of *the International League of Dermatological Societies (ILDS)*. In order to distribute the 2<sup>nd</sup> announcement for **the 22<sup>nd</sup> WCD**, which will be held from **May 24 to 29, 2011 in Seoul**, to as many potential participants as we can, we kindly request your assistance by providing us with the email and mailing addresses of the members in your society.

Rather than placing the burden of distribution on the various societies themselves, we have chosen to send the 2<sup>nd</sup> announcement directly to intended recipients by early October, 2009. Please send us a reply with this information within two weeks of receipt of this email, or at your earliest convenience.

We hope that together we can make the most memorable Congress ever under the theme of **“Connecting the World Through Innovative Dermatology.”**

Thank you for your support and assistance.

Sincerely yours,

**Hee Chul Eun**  
**President**

**Soo-Chan Kim**  
**Secretary General**
